

ComPrompt®  
*IT's lifeology!*

## Profile

- Comprompt Solutions LLP (formerly known as Comprompt Solutions from 2000 to 2016) has become a brand to reckon with in the field of IT security and solutions. During its formative years, Comprompt won accolades from hundreds of its clients by equipping their businesses with the most dependable IT solutions for mail and messaging needs as well as securing their wired world with reliable anti-virus solutions and support. Today, in the ever changing scenario of the IT industry and its deep inroads into our life, Comprompt has successfully transformed it into an organization that offers a lot more IT services and solutions.
- 
- Comprompt Solutions LLP(formerly known as Comprompt Solutions from 2000 to 2016) in a nutshell, is an organization that takes pride in making customers life easier by embracing their all kinds of digital devices with utmost care and clarity so that their lives remain simpler yet secured, forever!
-

## Vision

“We intend to safeguard every computer technology based device of our customers, with the help of evolving innovations, more secured platforms and unflinching service that gives them complete peace of mind. For, we believe that tech-savviness today is a way of life!

## Mission

“Comprompt is an IT-based world that has always remained constant in accepting change and making future more secured. From primary PCs to powerful hand-held devices, and from floppies to cloud computing, we has made an indelible mark in complex, challenging and exciting world of computer-turned-web technology. Be it domain hosting or email solution, or antivirus, Network Security or enterprise mobility, every action taken to pamper and protect a device is our sincere contribution towards improving way of life of people in general and our partners, customers, employees and our environment in particular. We also eagerly envisage a safe, secured tomorrow for all. For, the world revolving around binary language-driven instruments, we want to be an instrumental partner of a shining future!

## Digital Certificates

A digital certificate is an electronic “credit card” that establishes your credentials when doing business or other transactions on the Web. It is issued by a certification authority (CA). It contains your name, a serial number, expiration dates, a copy of the certificate holder’s public key (used for encrypting messages and digital signatures), and the digital signature of the certificate-issuing authority so that a recipient can verify that the certificate is real.

# Corporate Social Responsibilities

<http://www.drishtifoundation.in/>

The screenshot shows the Drishti Foundation website with a blue background. The top navigation bar includes links: Home, About Us, Our Activities, Contact Us, Donations, and Special Thanks. A sidebar on the left lists activities like 'Be a Beneficiary', 'Equipments for the Blind', 'Learn Braille', 'Be a part of Drishti Foundation', 'Other Affiliated Organizations', 'Helping Hands', 'Download Music', 'Story of the Week', and 'JSTNEWS'. The main content area features a quote by Helen Keller and a large image of two hands holding each other with the text 'Hold their hands and take them to your world'. Below this, there is a section for 'JSTNEWS' and a paragraph about the foundation's mission for visually challenged members.

Home About Us Our Activities Contact Us Donations Special Thanks

Once I knew only darkness and stillness. My life was without past or future. But a little word from the fingers of another fell into my hand that clutched at emptiness and my heart leaped to the rapture of living. - Helen Keller

**Hold their hands and take them to your world**

**JSTNEWS**  
JSTNEWS is a SMS news bulletin service - our Unique Fund Collection Drive for bringing revenue for the purpose of education and employment of blind students.

For millions of visually challenged members of the Indian Society, we wish to create a foothold, and hope to bring to their lives, smooth course of higher education and dignified employment. We aspire to eliminate the difficulties faced by the visually challenged people for ages, and for that, need your support and cooperation.

We, in Drishti Foundation, pledge to bring Drishti of Esteem and Dignity to all those considered unfortunate and less fortunate in India and across the globe. We at Drishti Foundation, pledge to live with the hope and die for the purpose.
